Dear Independence Overlay District Resident,

Welcome to HBS Trash! We are a Colorado based and Colorado owned company that concentrates on this beautiful state only. We believe in community partnership with 5-star personal service and will provide for all your weekly trash and recycle needs. Colorado HOA Communities like yourself, and weekly commercial service properties is our primary focus. We are committed at HBS Trash to be the “Premier Trash Company” in the State of Colorado. We are excited to provide waste collection service to your home and would like to take a quick moment to provide you with some useful information regarding our service to the Independence Overlay District community.

Your trash will be picked up **weekly on Fridays starting November 20th**. **Recycling will be picked up every other week on Fridays starting the following week. That week would normally be the Friday 27th but with Thanksgiving Holiday it will be pushed back a day to Saturday 28th**. We will deliver two 95-gallon carts, one for trash and one with a yellow lid for recycling.

On your collection day, please place your carts at the curb by 7:00 am with the handles facing the house to ensure pick up. Please also be sure to leave at least 2 ft of clearance between each cart and surrounding items such as mailboxes, extra bags etc. (you are allowed 3 extra Trash bags per weekly trash pick-up). Please make sure there is at least 4 ft of clearance between your totes and nearby vehicles. If you frequently have more than 3 extra bags of trash, you may purchase an additional cart for \$100 and will own the cart outright.

Note: Due to the current COVID-19 pandemic; large pickups are suspended until further notice. All trash must be bagged and preferably placed in carts.

Large pickups: (currently suspended)

Branches and brush must be no longer than 4 ft and tied securely in 24-in diameter bundles. Yard waste such as leaves, and grass clippings must be bagged and can be placed in trash tote. If you have more than 3 extra bags or large items such as furniture, please call at least 1 business day prior to your collection day to schedule pick up.

The following items are prohibited:

Items prohibited are: dirt, sod, rocks, hazardous waste of any kind, liquids of any kind including paint (unless opened and dried out), flammable materials such as oil, or gas, concrete, hot ashes, remodeling or demolition materials, whole tires, and electronics.

Our observed holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. If we are unable to provide service due to inclement weather, collection will take place the next day following the scheduled collection day, or as soon as weather conditions allow.
